

I LOVE PRAISING THE NAME OF THE LORD

I love Praising the name of the, Praising the name of the
Praising the name of the Lord

I love praising the name of the Lord, Praising the name of the Lord
When God's people get together even in the stormy weather
To praise the name of the Lord

I love praising the name of the Lord, Praising the name of the Lord
I love ... Praising the name of the x2
Praising the name of the Lord

Now there's a feeling like the one
That I get inside God's house
Singing, ***praise to the One I love so much (Praise to the one, I love so much)***
And there's no better place for me
Than to be in on my knee
Singing praise, singing praise to my Lord
